

## SERIES OF WEBINARS

### EM A2 SIGMA/ SIGMA Agile, EM A2 SALAM/ SALAM2

*All the webinars were followed by a questions and answers session and a short discussion. Webinar materials were distributed among all the participants. The webinars were prepared with the use of the online webinar tool Cisco Webex.*

#### 1. May 25<sup>th</sup>, 2015

- 1) Erasmus Mundus – European Scientific Practices
- 2) Cultural Awareness

The aims of this series of webinars are:

- 1) to present the principles of good scientific practices, including designing a research plan, making preparations for writing a PhD thesis, studying in an international environment, etc.
- 2) to raise cultural awareness among the participants and prepare them for their mobility period at the host university/ or for hosting the scholarship holders

**Presenter:** dr. Vitali Altholz, University of Goettingen

**Participants:** EM A2 SIGMA/ SIGMA Agile and EM A2 SALAM/ SALAM 2 scholarship holders and nominees, contact persons and administrators; representatives of other EM partnerships; other EMA2 scholarship holders and alumni. EACEA representatives were invited, too.

#### 2. June 3<sup>rd</sup>, 2015

##### How to adapt to a new environment?

The aim of this webinar is to present practical tips how adapt to a new environment while studying abroad; what challenges one may face, how to cope with possible problems and how to benefit from the mobility period.

**Presenter:** Ms. Aleksandra Jaskólska, University of Warsaw – a doctoral candidate and lecturer at the Institute of International Relations, beneficiary of EMA2 programme.

**Participants:** EM A2 SIGMA/ SIGMA Agile and EM A2 SALAM/ SALAM 2 scholarship holders and nominees, contact persons and administrators; representatives of other EM partnerships; other EMA2 scholarship holders and alumni. EACEA representatives were invited, too.
